Jumpy_frog100

Sorry I've got to go now, see you tomorrow in school

Space*Kangaroo

Come on... can you not stay until the end of the game?!?!?

Jumpy_frog100

I can't

Space*Kangaroo

You know we're going to lose if you go now 😡

Don't send

Not everyone is available all the time. It's not okay to put pressure on someone or make them feel guilty if they need to leave a game.

What could **Space*Kangaroo** say or do instead?

Send

It can be fun to trade things with other people, but remember not everyone wants to trade all the time and it's okay to say no. **Skylab99** has done the right thing here by accepting their decision.

Remember – a trade should always be done using the official trading feature in the game. This will help make sure it happens safely. But you should still make sure that you feel the trade is fair before accepting.

Level Up Gaming Group

Peanut_butter_boy

Is everyone going to be on Fallen Dragon after school?

13.34

Bekind12

Yeh it's so good

13.39

RoblxGrrl1

Yes I will be. 😂 @icyblast what about you?

14.02

Icyblast

I'm not allowed on that game

14.08

Peanut_butter_boy

What!!! 🤔

14.14

Icyblast

The rating is too old for me and it looks a bit scary

14.18

Peanut_butter_boy

Ha ha ha you are still on the baby games then

Don't send

Remember that the age ratings on games are there to help you and your families decide whether you're ready to play them yet.

Someone you live with might give you permission to play on a game, but that doesn't mean everyone else is allowed to or even feels comfortable with the game. It's important to respect other peoples' decisions.

What could Peanut_butter_boy or the others in the group say or do instead?

Lightening-duck2

Good game! We always win when we are on a team together 😁

Lightening-duck2

What school did you say you went to again?

Blazing_fox

I go to Park Heights Junior School in Nottingham

It's important to keep personal information safe online. Even if you have been playing a game with someone for a long time, if you don't know them offline they are still a stranger.

Always tell an adult if a player online asks for your personal information or to meet up.

Then together you could:

- Say no to sharing personal information and move the conversation back to talking about the game
- Decide not to reply at all
- Choose to report, block or unfriend the player.

Judo_genie22

Why don't you leave the game

Pioneer10

Yeh, you usually quit anyway 😊

AlienBiscuits8

Quit Quit Quit 🗯️

Judo_genie22

Quitter

Snow_X_dragon

Stop it, you are not funny

AlienBiscuits8

*Sorry we were
only joking and
didn't mean to
upset you* 😞

Send

Sometimes what starts as a joke can still really hurt and upset someone. It's important to think about other people's feelings. If someone asks you to stop or you think they are upset it's important to listen and take time to say sorry.

Coolcookie_1

I want to take a break from this gaming group for a bit

Shad0wsleeper

why?

Coolcookie_1

I'm not enjoying the group as people keep saying mean things to each other when we lose

Jr76_hj1

don't leave us

Coolcookie_1 has left the group

Shad0wsleeper

Come on you are our best player! We need you so we can win!

This is a difficult one!

Wanting someone on your team and sending them a message is nice but remember it's important to respect other people's decisions and boundaries.

What could **Shad0wsleeper** do or say instead?

Day_dream_queen

Why aren't you helping me?

Day_dream_queen

Where are you all? Stop running away from me!

Day_dream_queen

Why have you just done that???? We're meant to be on a team and look out for each other!

Day_dream_queen

I can't believe you got me, you are all
***** I hate you all. Just you wait until
next time. I'll get you all back!

Don't send

It wasn't nice or respectful of the other players to treat **Day_dream_queen** like that.

But even if someone has been unkind, or you're feeling angry and upset, it's never the right choice to retaliate by sending a mean message back.

What could **Day_dream_queen** say or do instead?

GAME ON!

Great job

Time to talk

**What does being respectful
online look like?**

Being respectful online means:

Including people
when they want
to be included

Listening to other people

Being kind and supportive

Understanding that
someone might not want
the same things as you

Thinking about
how your words
and actions make
other people feel

Not putting pressure on
someone and accepting
their boundaries
