

Welcome to Swans!

Social Story

In September I will be going to The Gateway Primary Academy.

I will be in Swans class.

The adults in my class will be:

Mrs Rafter

Mrs Taylor

Mrs Mahoney

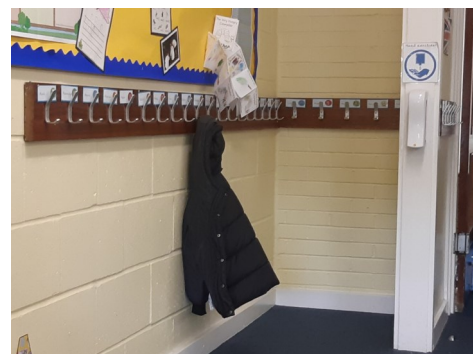

When I get to school I will go in through the main gate. I can see Swans class from there!

This is the door into the Swans classroom.

When I get into class, I will put my water bottle and book bag away.
Then I will hang up my coat and sit down for the register.

At lunch time I will go through the door into the hall and have my lunch with my friends. Mrs Mahoney will be in the hall with us. This is also where I will have PE and assembly. If I go to Breakfast Club I will see Mrs Mahoney in here too.

At home time I will see my family at the blue gate. I will need to wait until a school adult has made sure I am with the right person by staying in the line.
