### **Parental Comments**

Absolutely the best school my child could go to, amazing staff.

Both my children have been supported and well looked after at their school.

The school has helped progress my daughters learning and helps support with issues arising and helped with developing her confidence.

I believe The Gateway is an exceptional school, with exceptional teachers and has a true student focus. I can not thank the school enough for giving our children such a good start. Thank you.

Both my children have really enjoyed their time at the Gateway. They are challenged and have been made to feel safe and secure. In my opinion I couldn't have asked for more. Well Done Gateway.

Very happy with the school – a broad range of subjects and the children are very happy.

I cannot thank The Gateway for all the intervention they have provided my child, it has strongly benefitted her in every aspect of her learning and given her so much confidence and self-esteem.

I am incredibly satisfied with the school, it is a great place.

I am glad my son got this school, and I am looking forward to some more good work in the upcoming classes. Thanks to the teachers, T.A's and Headteacher.

Thank you so much for supporting my child for the last number of years. He is leaving school with a lot of confidence having learnt so much. He has had fantastic support from all the school staff – thank you. My youngest child started school and was very shy but has really grown in confidence thanks to the reception staff.
