Parental Comments

Luckily I have had no issues with bullying.

I am very happy with this school! Definitely would recommend to other parents. I like this school because it is small and everyone knows each other. It looks like a Big family. Teachers are so lovely and helpful every time with smiles on their faces. I trust this school 100% because the personnel is fantastic. We are very lucky being part of this school!

Really happy with all the support children get here. My son really enjoys the school and all the teachers are really helpful and listen to any concern you show.

I couldn't be any happier with the support that my child receives.

Fantastic school that helps and supports children in making amazing progress. All the staff work exceptionally hard to make learning fun, hence all my children look forward to each day. Thank you.

As always, very impressed with the level of teaching and support both my children have received, they have again enjoyed their year and are very much looking forward to next year.

My children continue to flourish in this school. I have actively recommended the school to prospective parents.

Excellent support from highly – skilled and dedicated teachers. I couldn't have asked more from them.

My child was really struggling at the beginning of Yr 6 but the school went above and beyond to help.
